

Grading Practices

School: Larkspur Middle School

Subject(s): Civics

Grade Level: 8

Homework

Teachers will grade homework as 5% of the student's cumulative grade.

Late Work

Teachers will deduct 10 points from each assignment that is turned in after the assigned due date.

Explanation of Zeroes

Teachers will assign students a 50% for work that is not submitted. Teachers will make every effort possible to hold the student accountable.

Reassessment

Teachers will allow students who have received a failing grade the option to retake the unit test. Students must complete the "Request a Retest" handout which requires students to show proof of how they prepared for the retake and requires a parent signature.

Make-up Work

Teachers will provide make-up work for students who have excused absences. Students will have 3 class periods to make-up absent work. Work turned in after 3 class periods will be counted as late work.

Extra Credit

Teachers do not offer extra credit. Students are given opportunities to make up work and retest when needed.
