

## Grading Practices

School: Larkspur Middle School

Subject(s): Science

Grade Level: 8th

### Homework

Homework shall count 5% of a student's grade.

### Late Work

Late work will be accepted no later than 7 work days before grades are finalized with a 10% penalty.

### Explanation of Zeroes

A zero will not be assigned for tests and quizzes. The minimum score for classwork, warm-ups and homework that has been turned in will be 50%.

### Reassessment

A student may set up an alternative time to take another version of the same assessment. The final score for the test will be an average of the original and re-taken test. The re-assessment needs to be requested by the student and completed within a week of the original test.

### Make-up Work

Make-up work due to absence will be accepted late without penalty equivalent to the number of days a student was absent.

### Extra Credit

Extra credit is given throughout the nine weeks embedded in warm-ups, quizzes, and class assignments.
